

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimber Coombes
DOCKET NO.: 13-20522.001-R-1
PARCEL NO.: 15-36-100-028-0000

The parties of record before the Property Tax Appeal Board are Kimber Coombes, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,647
IMPR.: \$12,353
TOTAL: \$38,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2012 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 34,196 square foot parcel of land improved with a 96-year old, one-story, masonry, single-family dwelling containing 2,848 square feet of living area. The property is located in Riverside Township, Cook County and is a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in July 2012 for a price of \$380,000 or \$133.43 per square foot of living area. The appellant included an affidavit attesting to the sale. The appellant requests an assessment of 10% of the sale price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,925. The subject's assessment reflects a market value of

\$529,250 or \$185.83 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted a brief asserting that the subject's was not reflective of the market because it was an estate sale. To support this, the board of review included copies of a printout from the recorder of deeds office and a copy of the warranty deed. The board of review also included evidence on four sale comparables. These properties sold from June 2009 to September 2010 for prices ranging from \$266.81 to \$365.06 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in July 2013 for a price of \$380,000. The appellant provided evidence demonstrating the sale of the subject and that the property was listed on the open market. The Board gives no weight to the board of review's argument that the subject's sale was not arm's length or at market merely because it was an estate sale. Therefore, the Board finds the subject had a market value of \$380,000. Since the market value of this parcel has been established, the Cook County Real Property Assessment Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
