

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lawrence Aaron
DOCKET NO.: 13-20857.001-R-1
PARCEL NO.: 11-07-200-020-0000

The parties of record before the Property Tax Appeal Board are Lawrence Aaron, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,886
IMPR.: \$58,055
TOTAL: \$73,941

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12,460 square foot parcel of land improved with a 102-year old, two-story, frame and masonry, owner-occupied, single-family dwelling. The property is located in Evanston Township, Cook County and is a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$735,000 as of January 1, 2013. The appellant requested the median level of assessment be applied to the appraisal value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,680. This assessment reflects a market value of \$801,988 when

using the Illinois Department of Revenue's 2013 three-year median level of assessment for class 2 property of 10.06%. In support of its contention of the correct assessment the board of review submitted information on four sales comparables.

In rebuttal, the appellant submitted a letter addressing the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$735,000 as of the assessment date at issue. Since market value has been established the Illinois Department of Revenue's 2013 three-year median level of assessment for class 2 property of 10.06% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
