

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Eugene Bernshteyn DOCKET NO.: 13-21130.001-R-1 PARCEL NO.: 11-32-300-001-0000

The parties of record before the Property Tax Appeal Board are Eugene Bernshteyn, the appellant(s), by attorney Ellen G. Berkshire, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 16,411 **IMPR.:** \$ 93,070 **TOTAL:** \$ 109,481

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a three-story dwelling of masonry construction with 11,316 square feet of living area. The dwelling is 42 years old. Features of the home include a full finished basement and central air conditioning. The property has a 10,257 square foot site, and is located in Chicago, Rogers Park Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject was owner-occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on December 17, 2010 for a price of \$740,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

Docket No: 13-21130.001-R-1

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,481. The subject's assessment reflects a market value of \$1,094,810, or \$96.75 per square foot of living area, including land, when applying the 2013 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00%.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The only evidence submitted in support of the sale of the subject in December 2010 for \$740,000 was a settlement statement. The questions in Section IV – Recent Sale Data of the Board's residential appeal form were mostly left unanswered. Thus, there is no evidence to show whether this sale was an arm's-length transaction. The Board finds that the settlement statement is not enough to prove that the subject is overvalued by a preponderance of the evidence. The Board further finds that it could not reduce the subject's assessment based on its recent sale unless that sale was an arm's-length transaction, and there was no evidence submitted to show as such. Therefore, the Board finds that the subject is not overvalued, and a reduction is not warranted.
