

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Seed Properties, LLC
DOCKET NO.: 13-21423.001-R-1
PARCEL NO.: 28-35-405-012-0000

The parties of record before the Property Tax Appeal Board are Seed Properties, LLC, the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,150
IMPR.: \$340
TOTAL: \$3,490

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12,600 square foot parcel of land improved with a 39-year old, two-story, frame, single-family dwelling containing 1,123 square feet of living area. The property is located in Bremen Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on both overvaluation and inequity. In support of the overvaluation argument the appellant submitted evidence disclosing the subject property was purchased in May 2012 for a price of \$34,900. In support of the equity argument, the appellant submitted data on five equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,799 with an improvement assessment of \$5,649 or \$5.03 per

square foot of living area. The subject's assessment reflects a market value of \$87,990 using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted information on four equity comparables with sales information on one.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in May 2012 for a price of \$34,900. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Therefore, the Board finds the subject had a market value of \$34,900. Since the market value of this parcel has been established, the Cook County Real Property Assessment Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted. After this market value reductions, the Board finds the subject is equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
