

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leo Birov
DOCKET NO.: 13-21740.001-R-1
PARCEL NO.: 05-08-321-020-0000

The parties of record before the Property Tax Appeal Board are Leo Birov, the appellant(s), by attorney Eli R. Johnson, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 77,914
IMPR.: \$211,945
TOTAL: \$289,859

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a six-year-old, two-story, non-owner occupied dwelling of masonry construction with 7,162 square feet of living area. Features of the home include a full basement, central air conditioning, four fireplaces and a four-car garage. The property has a 38,957 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on July 29, 2011 for a price of \$2,200,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the market value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$289,859. The subject's assessment reflects a market value of \$2,898,590 or \$404.72 per square foot of living area, land included, when using the 2013 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables with sales data on two of those properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to meet its burden of proving that the subject was sold in an arm's length transaction. The appellant failed to complete Section IV of the appeal form or to submit any evidence showing the subject was advertised on the open market, real estate brokers were used, or the parties to this transaction were not related. The attached settlement statement shows that this was a cash deal between a limited liability company and a corporation and does not list any broker's commission. The Board also gives diminished value to the real estate offer submitted in evidence because it is not signed by the seller and therefore not a fully executed contract. Based on this evidence, the Board finds that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
