

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Randy Kash  
DOCKET NO.: 13-22016.001-R-1  
PARCEL NO.: 09-15-107-057-0000

The parties of record before the Property Tax Appeal Board are Randy Kash, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,953  
**IMPR.:** \$4,547  
**TOTAL:** \$6,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 48-year-old, one-story dwelling of masonry construction with 848 square feet of living area. The property has an 848 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation and assessment inequity. In support of the overvaluation argument, the appellant submitted evidence disclosing the subject property was purchased on March 6, 2013 for a price of \$65,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10% of the purchase price. In addition, the appellant submitted four suggested equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,978. The subject's assessment reflects a market value of \$119,780 when using the 2013 level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to submit any evidence in support of a personal property reduction. The Board also finds the best evidence of market value to be the purchase of the subject property in March, 2013 for a price of \$65,000. The appellant provided evidence demonstrating the sale of the subject. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. Based on this record the Board finds the subject property had a market value of \$65,000 as of January 1, 2013. Since market value has been determined the 2013 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). After a reduction in the assessment, the Board finds the subject property to be equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
