

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas Gannett
DOCKET NO.: 13-22082.001-R-1
PARCEL NO.: 05-21-100-011-0000

The parties of record before the Property Tax Appeal Board are Douglas Gannett, the appellant(s), by attorney Eli R. Johnson, of Robert H. Rosenfeld and Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 31,159
IMPR.: \$ 77,591
TOTAL: \$108,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements on one parcel of land. Improvement #1 consists of a two-story single-family dwelling of masonry construction with 4,647 square feet of living area. The dwelling contains a full unfinished basement. Improvement #2 consists of a 1.5 story single-family dwelling of masonry construction containing 522 square feet of living area. The dwelling contains a three-car garage. The property has a 19,175 square foot site, and is located in New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that both improvements sold together in August 2012 for \$1,637,500 and immediately thereafter, Improvement #2 was sold by the appellant for a total of \$550,000. This evidence included the settlement statements showing the sale of both properties

and a settlement statement and real estate sales contract showing the sale of improvement #2 for \$550,000. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$144,758. The subject's assessment reflects a market value of \$1,447,580, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment, the board of review submitted four equity comparables for each improvement.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property, Improvement #1, in August 2012 for \$1,087,500. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction. This evidence included the settlement statements showing the sale of both properties and a settlement statement and real estate sales contract showing the sale by the appellant of Improvement #2 for \$550,000. Lastly, the board of review failed to provide any evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property, Improvement #1, had a market value of \$1,087,500 as of January 1, 2013. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
