

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bank Financial
DOCKET NO.: 13-22109.001-R-1
PARCEL NO.: 14-18-401-036-1010

The parties of record before the Property Tax Appeal Board are Bank Financial, the appellant(s), by attorney Mary T. Nicolau, of Fox Rothschild LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,190
IMPR.: \$14,810
TOTAL: \$17,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a single unit in a ten-unit residential condominium building. The building was constructed in 1914 and it is situated on a 4,285 square foot site, located in Lakeview Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$170,000 as of August 14, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,538. The subject's assessment reflects a market value of

\$375,380, including land when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

The board of review also submitted an analysis based on the sale of unit 1009. This unit sold in December 2012 for a price of \$270,000. The board divided the sale price by the unit's percentage of ownership of 9.690% resulting in a full market value for the subject building of \$2,730,650. This amount was multiplied by the subject's percentage of ownership of 9.690% resulting in a market value for the subject of \$432,808. Based on this analysis, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant has met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$170,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
