

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stella Bantug
DOCKET NO.: 13-22266.001-R-1 through 13-22266.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Stella Bantug, the appellant(s), by attorney Amanda L. Moressi, of Salyer Law Offices, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-22266.001-R-1	14-17-226-021-1002	6,042	28,958	\$35,000
13-22266.002-R-1	14-17-226-021-1009	232	1,768	\$2,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential and parking unit located in a condominium with 12 total units. The dwelling is 95 years old. The property has a 7,620 square foot site and is located in Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on August 10, 2011 for a price of \$370,000. The evidence includes a settlement statement and deed. In further support of the subject's market value, the appellant submitted an appraisal that indicates the subject's market value was \$400,000 on June 20, 2011. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$35,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,022. The subject's assessment reflects a market value of \$540,220, land included, when using the 2013 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted a condominium sales analysis. The analysis used two recent sales in the subject condominium building to determine the subject condominium's value as a whole is \$520,638.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August, 2011 for a price of \$370,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, and the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the settlement statement, a deed and an appraisal that has a market value that is similar to the subject's recent purchase price. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$370,000 as of January 1, 2013. Since market value has been determined the 2013 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
