

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Ramsdorf
DOCKET NO.: 13-22420.001-R-1
PARCEL NO.: 28-15-106-026-0000

The parties of record before the Property Tax Appeal Board are Scott Ramsdorf, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,601
IMPR.: \$ 1,899
TOTAL: \$ 5,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story dwelling of frame construction with 1,181 square feet of living area. The dwelling is 57 years old. Features of the home include a full unfinished basement, central air conditioning, and a one-car garage. The property has a 14,405 square foot site, and is located in Oak Forest, Bremen Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance. No evidence was submitted as to whether the subject is owner occupied.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on May 11, 2012 for a price of \$55,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$14,885. The subject's assessment reflects a market value of \$148,850, or \$126.04 per square foot of living area, including land, when applying the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, and four sale comparables. The board of review's evidence also state that the subject was purchased in May 2012 for \$55,000. The board of review also submitted a supplemental brief, arguing that the appellant had not met the burden of "going forward," and that, as a result, the appeal should be dismissed.

In rebuttal, the appellant reaffirmed the evidence previously submitted.

Conclusion of Law

Initially, the Board finds that the appellant has met the burden of "going forward," as the appellant submitted evidence of the sale of the subject. Therefore, the Board denies the board of review's request to have the appeal dismissed on these grounds.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in May 2011 for a price of \$55,000. In support of the transaction, the appellant submitted the printout from the MLS and the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record the Board finds the subject property had a market value of \$55,000 as of January 1, 2013. Since market value has been determined the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
