

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Charles Phillips  
DOCKET NO.: 13-22591.001-R-1  
PARCEL NO.: 22-29-225-041-0000

The parties of record before the Property Tax Appeal Board are Charles Phillips, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,235  
**IMPR.:** \$26,067  
**TOTAL:** \$30,302

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 48-year-old, four-unit, one-story building with 3,017 square feet of living area. The property has a 9,412 square foot site and is located in Lemont Township, Cook County. The subject is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on two suggested comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,302. The subject's assessment reflects a market value of \$301,213 or \$99.84 per square foot of living area, including land, when applying the 2013 three year median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted a brief arguing that the appellant failed to meet his burden of proof because he did not submit at least three suggested sales comparables as required by Section 1910.65(c) of the Board rules.

At hearing, the appellant reiterated his sales comparables argument. The board of review also reiterated their argument that the appellant failed to meet his burden and his request for reduction in assessed value should be denied. In rebuttal, the appellant argued that the Board should waive the requirement of Section 1910.65(c) because there were only two sales comparables of similar properties in the whole area.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to meet his burden of proof because he failed to submit a sufficient number of sale comparables to establish a market value range. The appellant also failed to submit any sale comparables of three-unit buildings with the same or similar square footage as the subject building. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
