

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Fobes
DOCKET NO.: 13-22594.001-R-1
PARCEL NO.: 14-20-116-041-1003

The parties of record before the Property Tax Appeal Board are Richard Fobes, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,803
IMPR.: \$ 22,918
TOTAL: \$ 24,721

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit located in a 20-unit condominium building. The building is 84 years old. The property is located on a 8,126 square foot site and is located in Lakeview Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales. Size information was submitted for two

of the nine comparables. Sale information was provided for the subject's 2005 sale for a price of \$223,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,918. The subject's assessment reflects a market value of \$227,813, when applying the 2013 three year average median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue.

In support of the subject's assessment, the board of review submitted a memo from Frederick E. Agustin, Cook County Board of Review Analyst. The memorandum shows that one unit in the subject's building, or 3.83% of ownership, sold in 2009 for a price of \$216,000. The sale price for the unit was then divided by the percentage of interest of the unit sold to arrive at a total market value for the building of \$5,639,687. The subject's percentage of ownership was then utilized to arrive at a value for the subject of \$273,525.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant failed to provide square footage of the living area, building age, proximity to the subject, and percentage of ownership on the suggested comparables they submitted. The Board is unable to analyze the appellant's comparables without this relevant information. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
