

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Borrelli  
DOCKET NO.: 13-22677.001-R-1  
PARCEL NO.: 14-07-225-004-0000

The parties of record before the Property Tax Appeal Board are Susan Borrelli, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,831  
**IMPR.:** \$10,669  
**TOTAL:** \$21,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements on a 4,166 square foot site. Improvement #1 is a two-unit apartment building, one and part two-story, frame constructed building, containing 2,078 square feet of living area. Improvement #2 is a one unit coach house with 406 square feet of living area. The property is located in Chicago, Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property including both improvements had a market value of \$215,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,028. The subject's assessment reflects a market value of \$420,280 or \$169.20 per square foot of living area, land included, when using the 2013 level of

assessment for Cook County of 10% under the Cook County Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted four equity comparables and sales data for Improvement #1. For Improvement #2, the board submitted three equity comparables with sales data.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$420,280, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$215,000 as of the assessment date at issue. Since market value has been established, the 2013 level of assessment for Cook County of 10% as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
