

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3307 N. Kenmore Associates
DOCKET NO.: 13-22682.001-R-1
PARCEL NO.: 14-20-417-021-0000

The parties of record before the Property Tax Appeal Board are 3307 N. Kenmore Associates, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,260
IMPR.: \$54,740
TOTAL: \$69,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two improvements. Improvement #1 is a three story, three unit apartment building of frame construction with 3,912 square feet of living area. Improvement #2 is a one unit coach house of frame construction with 1,298 square feet of living area. Both improvements were constructed in 1893. The property has a 3,100 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$690,000 as of January 1, 2012. The appellant requested a reduction to 10% of the appraisal's value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total

assessment for the subject of \$82,500. The subject's assessment reflects a market value of \$825,000 or \$158.34 per square foot of living area, land included, when using the 2013 level of assessment for class 2 properties of 10% as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four equity comparables and sales data for each Improvement.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$825,000, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$690,000 as of the assessment date at issue. Since market value has been established, the 2013 level of assessment for class 2 properties of 10% as determined by the Cook County Classification Ordinance shall be applied.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
