

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jane M. Picola  
DOCKET NO.: 13-22686.001-R-1  
PARCEL NO.: 09-20-218-014-0000

The parties of record before the Property Tax Appeal Board are Jane M. Picola, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,125  
**IMPR.:** \$23,329  
**TOTAL:** \$26,454

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two improvements on one parcel of land. Improvement #1 is a 90 year-old, one-story dwelling of frame construction containing 1,781 square feet of living area. Features of Improvement #1 include a full unfinished basement and a two-car garage. Improvement #2 is a 63 year-old, one-story dwelling of frame construction containing 682 square feet of living area. Features of Improvement #2 include a full unfinished basement and a one-car garage. The property has a 6,250 square foot site and is located in Maine Township, Cook County. Improvement #1 is a Class 2-03 property and Improvement #2 is a Class 2-02 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparables for each Improvement.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,532. For Improvement #1 the subject property has an improvement assessment of \$18,952 or \$10.64 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables and included sales information on comparable #3. For Improvement #2 the subject property has an improvement assessment of \$9,455 or \$13.86 per square foot of living area. The board did not submit any comparables for Improvement #2.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted for Improvement #1. The Board also finds that the appellant did meet this burden of proof for Improvement #2 and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity for Improvement #1 to be the appellant's comparables and the board of review's comparable #1. These comparables had improvement assessments that ranged from \$7.93 to \$11.90 per square foot of living area. The subject's Improvement #1's improvement assessment of \$10.64 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified on Improvement #1.

For Improvement #2 the Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$10.19 to \$12.76 per square foot of living area. Improvement #2's improvement assessment of \$13.86 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that Improvement #2 was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
