

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jason Reiner  
DOCKET NO.: 13-22906.001-R-1 through 13-22906.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jason Reiner, the appellant(s), by attorney Edwin M. Wittenstein, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-22906.001-R-1	05-34-101-050-0000	8,989	35,806	\$44,795
13-22906.002-R-1	05-34-101-051-0000	2,205	500	\$2,705

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of masonry construction with 2,608 square feet of living area. The dwelling was constructed in 1928. Features of the home include a full unfinished basement, two baths, one fireplace, air conditioning, and a two and one-half car garage. The property has a 6,421 square foot site and is located in Wilmette, New Trier Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on September 23, 2011 for \$475,000. This evidence included the settlement statement and MLS printout. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,548. The subject's assessment reflects a market value of \$665,480 when applying a 10% level of assessment as determined by the Cook County Classification Code.

In support of the assessment, the board of review submitted four sale comparables. Based on this evidence, the appellant requested a reduction in the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in September 2011 for \$475,000. The appellant provided evidence demonstrating the sale had the elements of arm's length transaction and in support of the transaction, copies of the settlement statement and MLS printout were submitted. Lastly, the board of review failed to provide any evidence to challenge the arm's length nature of the transaction.

Based on this record, the Board finds the subject property had a market value of \$475,000 as of January 1, 2013. Since market value has been determined, the level of assessments for class 2-06, residential property of 10% shall apply as determined by the Cook County Classification Code shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
