

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jozef & Zofia Lacek
DOCKET NO.: 13-23826.001-R-1
PARCEL NO.: 18-27-200-025-1015

The parties of record before the Property Tax Appeal Board are Jozef & Zofia Lacek, the appellant(s), by attorney John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,021
IMPR.: \$4,179
TOTAL: \$5,200

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (Board) finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit within a 36-year old, three-story, masonry, condominium building complex. The property is located Lyons Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sales information on six condominium sales within the complex.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,750. The subject's total assessment reflects a market value of \$87,500 using the Cook County Real Estate Classification Ordinance level of assessment of 10% for class 2 properties.

In support of the correct assessment, the board of review submitted two sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the board of review's comparable #2 and the appellant's comparable #3 are the same property. The Board finds the best evidence of market value are the appellant's comparables and the board of review's comparable #2. These properties sold from March 2012 to August 2013 for prices ranging from \$45,000 to \$61,000. In comparison, the appellant's assessment reflects a market value of \$87,500 which is above the range established by the comparables. Based on the record and after adjustments to the comparables, the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
