

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lyubomir Alexandrov
DOCKET NO.: 13-24316.001-R-1
PARCEL NO.: 24-36-103-031-0000

The parties of record before the Property Tax Appeal Board are Lyubomir Alexandrov, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,400
IMPR.: \$ 9,107
TOTAL: \$ 11,507

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story dwelling of frame construction with 1,728 square feet of living area. The dwelling was constructed in 1916. Features of the home include a full unfinished basement, four bedrooms, two baths, and a two-car garage. The property has a 6,400 square

foot site and is located in Blue Island, Worth Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$11,507. The subject's assessment reflects a market value of \$115,070 or \$66.59 per square foot of living area, land included, when using the 2013 level of assessment for Cook County of 10% as determined by Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sales data for comparable #1.

In rebuttal, the appellant distinguished the board of review's comparables based on size and amenities and included Cook County Assessor's website printouts for each of the board of review's comparables and a deed regarding comparable #1. The appellant distinguished the board of review's comparable #1 based on size. Specifically, comparable #1 included the sale of two parcels of land and the dwelling on a 6,750 square foot site.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's comparables and the board of review's comparable #1. These comparables sold for prices ranging from \$30,000 to \$112,675 or from \$19.13 to \$93.35 per square foot of living area, including land. The subject's assessment reflects a market value of \$66.59 per square foot of living area, including

land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
