

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dorian Cartwright Eminent Properties
DOCKET NO.: 13-24387.001-R-1
PARCEL NO.: 20-29-111-026-0000

The parties of record before the Property Tax Appeal Board are Dorian Cartwright Eminent Properties, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,116
IMPR.: \$4,560
TOTAL: \$6,676

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of masonry construction with 1,034 square feet of living area. Features of the dwelling include a full unfinished basement, one bath, and a two-car garage. The dwelling was constructed in 1925. The property has a 3,528 square foot site and is located in Chicago, Lake Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales which sold from April 2012 to May 2013 for prices ranging from \$3,000 to \$22,500 or from \$2.90 to \$23.01 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$6,676. The subject's assessment reflects a market value of \$66,760 or \$64.56 per square foot of building area, including land, when applying the 2013 level of

assessment for class 2-03 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables which sold from August 2011 to November 2012 for prices ranging from \$68,000 to \$90,000 or from \$52.56 to \$87.04 per square foot of living area, including land.

In rebuttal, the appellant's attorney distinguished the board of review's evidence based on sale conditions. The appellant's attorney submitted REDFIN printouts for each of the board of review's sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables and the board of review's comparable #3. These similar comparables sold for prices ranging from \$2.90 to \$87.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$64.56 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
