

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Song Tang Hu
DOCKET NO.: 13-24388.001-R-1
PARCEL NO.: 20-04-321-023-0000

The parties of record before the Property Tax Appeal Board are Song Tang Hu, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,677
IMPR.: \$10,335
TOTAL: \$13,012

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, multi-family dwelling with 1,920 square feet of living area of frame construction. The dwelling was 124 years old. Features include a full basement and two bathrooms. The property has a 3,150 square foot site and is located in Lake Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The appellant also submitted a grid with adjustments for each of the comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,269. The subject's assessment reflects a market value of \$172,690 or \$89.94 per square foot of living area, including land, when applying the 2013 level

of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on three comparable sales.

In written rebuttal, the appellant submitted Redfin printouts for the board of review's comparables and stated that the board of review's comparables #2 and #3 were not listed on the open market.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board gave no weight to the appellant's adjustments to the comparables as there was no foundation for these adjustments. The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #4 and the board of review comparable sale #1. These comparables sold for prices ranging from \$27.06 to \$67.78 per square foot of living area, including land. The subject's assessment reflects a market value of \$89.94 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
