

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anita Holtman  
DOCKET NO.: 13-24523.001-R-1  
PARCEL NO.: 08-14-401-088-1001

The parties of record before the Property Tax Appeal Board are Anita Holtman, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 1,038  
**IMPR.:** \$ 20,967  
**TOTAL:** \$ 22,005

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a condominium unit in a six unit dwelling with 16.95% of ownership. The property is located in Elk Grove Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located next door and across the street. These comparables had a 16.61% of ownership. The appellant submitted color photographs of three of the comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,005. The subject property has an improvement assessment of \$20,967 or \$13.97 per square foot of living area. In support of the correct assessment, the board of review submitted a memorandum and condo analysis by Frederick E. Agustin, a board of review analyst, indicating that the full value of the subject is \$227,000 based on the sale of one unit in 2010.

**Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the appellant's comparables are not similar to the subject in size. Although the comparables presented by the appellant are located near the subject, the properties differ in percentage of ownership. The appellant's properties have a 16.61% of ownership, whereas the subject has a 16.95% of ownership. Therefore, the Board finds this argument unpersuasive and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
