

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Kubala
DOCKET NO.: 13-24524.001-R-1
PARCEL NO.: 08-33-207-001-0000

The parties of record before the Property Tax Appeal Board are Peter Kubala, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,228
IMPR.: \$17,772
TOTAL: \$22,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tenant-occupied, one-story dwelling with 1,622 square feet of living area of frame construction. The dwelling is 53 years old. Features of the home include central air conditioning, one fireplace and a one-car garage. The property has a 11,276 square foot site and is located in Elk Grove Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$220,000 as of April 21, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,169. The subject's assessment reflects a market value of

\$231,690 or \$142.84 per square foot of living area, including land, when applying the 2013 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on eight comparable sales. The board of review also stated the appellant's appeal should be dismissed because, "the appellant did not submit substantive documentary evidence sufficient to challenge the correctness of the assessment pursuant to Ill. Admin Code Title 86, Chapter II, Part 1910.63(b)."

In written rebuttal, the appellant stated his appraisal is substantive documentary evidence. The appellant also stated the board's unadjusted sale comparables should be given no weight. The appellant also submitted several Property Tax Appeal Board decisions regarding other properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board notes that the appraisal date of April 21, 2012 is less than nine months prior to the lien date at issue. The Board finds no merit in the board of review's assertion that the appellant failed to submit substantive documentary evidence. The Board finds the subject property had a market value of \$220,000 as of the assessment date at issue. Since market value has been established the 2013 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
