

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Edward Thompson  
DOCKET NO.: 13-24615.001-R-1  
PARCEL NO.: 09-30-406-006-0000

The parties of record before the Property Tax Appeal Board are Edward Thompson, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,000  
**IMPR.:** \$ 2,401  
**TOTAL:** \$12,401

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame construction with 1,064 square feet of living area. The dwelling is 66 years old. Features of the home include central air conditioning and a two-car garage. The property has a 20,020 square foot site and is located in Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased from Bank of America in a cash transaction, on February 16, 2011, for a price of \$81,401. The appellant's pleadings state the appellant spent \$40,000 before occupying the property. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect 10% of the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,897. The subject's assessment reflects a market value of \$218,970 or \$205.80 per square foot of living area, land included, when using the 2013 level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on the subject property. The board also submitted a supplemental brief that states the sale of the subject is a compulsory sale and that pursuant to 35 ILCS 200/1-23, the Property Tax Appeal Board shall consider compulsory sales of comparable properties. The board argued that the appellant failed to meet the burden of going forward by failing to provide substantive documentary evidence that the sale was an arm's-length transaction.

In written rebuttal, the appellant stated that the board of review did not submit any evidence that the sale price of the subject did not reflect its fair cash value. The appellant also submitted a copy of 35 ILCS 1-23 in addition to several Property Tax Appeal Board decisions regarding other properties.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2011 for a price of \$81,401. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. Based on this record, after making adjustments for the appellant's \$40,000 renovation before occupying the property, the Board finds the subject property had a market value of \$121,401 as of January 1, 2013. Since market value has been determined the 2013 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
