

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Robert Hirsch
DOCKET NO.: 13-24834.001-R-1
PARCEL NO.: 05-06-404-073-0000

The parties of record before the Property Tax Appeal Board are Robert Hirsch, the appellant(s), by attorney Edward P. Larkin, Attorney at Law in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 61,506
IMPR.: \$ 64,029
TOTAL: \$125,535

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 3,386 square feet of living area. The dwelling is 47 years old. Features of the home include a partial basement. The property is located in New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$133,381. The subject property has an improvement assessment of

\$71,875 or \$21.23 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

In written rebuttal, the appellant stated the subject's 2014 assessment was reduced from \$133,381 to \$122,894.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$18.91 to \$19.92 per square foot of living area. The subject's improvement assessment of \$21.23 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

In written rebuttal, the appellant stated that the subject's 2014 assessment was reduced and therefore, the subject's 2013 assessment should be reduced. The appellant's contention of law is based on Hoyne Savings & Loan Assoc. v. Hare, 60 Ill.2d 84, 90, 322 N.E.2d 833, 836 (1974); 400 Condominium Assoc. v. Tully, 79 Ill.App.3d 686, 690, 398 N.E.2d 951, 954 (1st Dist. 1979) which held a, "substantial reduction in the subsequent year's assessment is indicative of the validity of the prior year's assessment". The Board finds the record includes evidence of a 2014 assessment reduction for the subject property. This year is within the 2013 triennial assessment cycle that is the subject of this appeal. However, the Board finds that the evidence indicates that the 2014 assessment was reduced from \$133,381 to \$122,894. The Board finds this reduction is not a "substantial reduction" as required by Hoyne. Id.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
