

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cloon Fad, LLC
DOCKET NO.: 13-24946.001-C-1
PARCEL NO.: 14-19-210-002-0000

The parties of record before the Property Tax Appeal Board are Cloon Fad, LLC, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,568
IMPR.: \$50,978
TOTAL: \$91,546

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 87-year-old, one and part two-story mixed-use building with 9,326 square feet of building area. The property has an 11,484 square foot site and is located in Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$910,000 as of January 1, 2013.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,098. The subject's assessment reflects a market value of \$1,084,473 or \$116.28 per square foot of living area, including land, when applying the 2013

median level of assessments for class 2 property of 10.06% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six, class 5, sales comparables. The board of review's notes on appeal reflect that the subject's classification has varied between class 2 and class 5 over the years. In addition, the board of review submitted the Property Characteristic Printout (PCP) for the subject property, which lists the subject as a class 2-12 property.

In written rebuttal, appellant's attorney argued that the subject should be classified as a class 2-12 instead of a class 5-92. In support of this proposition, appellant's counsel argued that subject has been consistently classified by the assessor's office as a class 2-12 property between the years of 2006 and 2014. In the instant appeal, appellant's counsel argued, the board of review's own evidence indicates that the assessor's office classified the subject as a class 2-12 property. Finally, appellant's counsel argued the Board should give the board of review's suggested comparables no weight because they are all class 5 properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

Based on the evidence presented, the Board finds that the subject is classified as a class 2-12 property in the 2013 lien year. The Board also finds that the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$910,000 as of the assessment date at issue. Since market value has been established the 2013 median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
