

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joe & Kim Ruffolo
DOCKET NO.: 13-25410.001-C-1
PARCEL NO.: 08-12-403-011-0000

The parties of record before the Property Tax Appeal Board are Joe & Kim Ruffolo, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,787
IMPR.: \$95,712
TOTAL: \$112,499

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 5,372 square foot parcel of land improved with an approximately 57-year old, one-story, masonry, commercial building containing approximately 3,224 square feet of building area. The property is located in Lake View Township, Cook County and is a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a real estate only market value of \$450,000 as of February 8, 2013. In addition, the appellant submitted four sales comparables. The appellant requests an assessment based the appraised value in combination with the sales comparables for a market value of \$307,307.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$112,499. The subject's assessment reflects a market value of \$449,996 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%.

In support of the assessment the board of review submitted six sales comparables.

In rebuttal, the appellant submitted a letter addressing the board of review's evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board gives less weight to the parties' comparables as the raw sales data was not adjusted. The subject's assessment reflects a market value supported by the best evidence of market value in the record and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
