

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ross Properties & Management, LTD
DOCKET NO.: 13-25421.001-R-1
PARCEL NO.: 25-29-400-047-0000

The parties of record before the Property Tax Appeal Board are Ross Properties & Management, LTD, the appellant(s), by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,648
IMPR.: \$ 7,987
TOTAL: \$10,635

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half story, single-family dwelling of masonry construction. The dwelling is 67 years old. The property has a 6,231 square foot site and is located in Calumet Township, Cook County. It is classified as Class 2-03 property under the Cook County Real Property Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables.

The appellant also argued that the county overstated the subject's living area as 1,613 square feet when, in fact, it contains 817 square feet of living area. The appellant submitted a photocopy of a plat of survey from 2006 showing a one-story dwelling. The appellant also submitted a photograph of the subject indicating the subject has more than one-story.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$10,635. The subject property has an improvement assessment of \$7,987 or \$4.95 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables using 1,613 square feet of living area, and an additional four equity comparables using 817 square feet of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

Initially, the Board finds that the subject contains 1,613 square feet of living area. The survey identifies the dwelling as being one- story which is contradictory to the appellant's photographic evidence.

The taxpayer also contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be comparables #1 through #4 submitted by the board of review. They were most similar to the subject in location, size and amenities. These comparables had improvement assessments that ranged from \$5.29 to \$7.17 per square foot of living area. The subject's improvement assessment of \$4.95 per square foot of living area falls below the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
