

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Bill Adrianos

DOCKET NO.: 13-25544.001-R-1 through 13-25544.004-R-1

PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Bill Adrianos, the appellant(s), by attorney Ellen G. Berkshire, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds <u>A Reduction</u> in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-25544.001-R-1	16-13-132-046-1001	861	3,622	\$4,483
13-25544.002-R-1	16-13-132-046-1002	939	3,952	\$4,891
13-25544.003-R-1	16-13-132-046-1003	1,058	4,449	\$5,507
13-25544.004-R-1	16-13-132-046-1004	1,175	4,944	\$6,119

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is four-unit residential condominium building. The subject is six years old and is situated on a 3,825 square foot site. It is located in West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$210,000 as of January 2, 2012.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,559. The subject's assessment reflects a market value of \$305,590 when applying the assessment level of 10% as established by the Cook County Real Property Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted a one page memorandum indicating the subject's market value should be \$305,590 based on the sales of three three-unit condominium buildings.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The board gives no weight to the board of review's vague and unsupported market analysis. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$210,000 as of the assessment date at issue. Since the market value has been determined, the assessment level of 10% as established by the Cook County Real Property Classification Ordinance shall apply per the appellant's request.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
