

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pradeep & Mitzi Thomas  
DOCKET NO.: 13-25648.001-R-1  
PARCEL NO.: 09-22-414-011-0000

The parties of record before the Property Tax Appeal Board are Pradeep & Mitzi Thomas, the appellant(s), by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 6,507  
**IMPR.:** \$41,813  
**TOTAL:** \$48,320

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of masonry construction with 3,031 square feet of living area. The dwelling is 34 years old. The property has a 9,297 square foot site and is located in Maine Township, Cook County. It is classified as Class 2-78 property under the Cook County Real Property Classification Ordinance.

The appellants contend assessment inequity as the basis of the appeal. In support of this argument the appellants submitted information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,320. The subject property has an improvement assessment of \$41,813 or \$13.80 per square foot of living area. In support of its contention of the correct

assessment, the board of review submitted information on four equity comparables. The board of review's grid sheet also reflected the sale of the subject in April 2011 for \$375,000.

### **Conclusion of Law**

The taxpayers contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be comparables #1 and #2 submitted by the appellant, as well as comparables #2 through #4 submitted by the board of review. These comparables were most similar to the subject in age, size, design and location, and had improvement assessments that ranged from \$12.48 to \$15.69 per square foot of living area. The subject's improvement assessment of \$13.80 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
