

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cappetta
DOCKET NO.: 13-25840.001-R-1
PARCEL NO.: 22-20-320-006-0000

The parties of record before the Property Tax Appeal Board are Cappetta, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 2,862
IMPR.: \$ 19,270
TOTAL: \$ 22,132

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction with 4,163 square feet of living area. The dwelling is 103 years old. Features of the home include a full unfinished basement, central air conditioning, and a four-car garage. The property has a 6,360 square foot site, and is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$220,000 as of July 1, 2013. The appellant requested that the applicable three year average median level of assessment for class 2 property be applied to this market value. The appraisal states that the subject's second floor apartment is vacant, and, therefore, the subject is not owner occupied.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,676. The subject's assessment reflects a market value of \$316,760, or \$76.09 per square foot of living area, including land, when applying the 2013 three year average median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In rebuttal, the appellant reaffirmed the evidence previously submitted, and waived the original request for an oral hearing.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$220,000 as of the assessment date at issue. Since market value has been established the 2013 three year average median level of assessment for class 2 property of 10.06% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
