

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Willie Mills
DOCKET NO.: 13-26048.001-R-1
PARCEL NO.: 16-14-413-045-0000

The parties of record before the Property Tax Appeal Board are Willie Mills, the appellant(s), by attorney Anne E. Larsen, of the Law Offices of Frank A. Edelman, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,726
IMPR.: \$ 25,130
TOTAL: \$ 30,856

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of two improvements. Improvement #1 is a three-story dwelling of frame and masonry construction with 1,527 square feet of living area. Improvement #1 is 17 years old. Features of Improvement #1 include a slab, central air conditioning, and a two-car garage. Improvement #2 is a three-story dwelling of masonry construction with 1,116 square feet of living area. Improvement #2 is 17 years old. Features of Improvement #2 include slab, central air conditioning, and a one-car garage. The property has a 2,863 square foot site, and is located in Chicago, West Chicago Township, Cook County. Improvement #1 and Improvement #2 are both classified as class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables for Improvement #1. No evidence was submitted regarding Improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,856. Improvement #1 has an improvement assessment of \$12,794, or \$8.38 per square foot of living area. Improvement #2 has an improvement assessment of \$12,336, or \$11.05 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables for Improvement #1, and four equity comparables for Improvement #2. The board of review also submitted a Supplemental Brief stating that the appellant's evidence failed to take Improvement #2 into consideration. The ASIQ printout submitted by the board of review states that the subject received a homeowner's exemption for tax year 2013, and, therefore, the subject is owner occupied. 35 ILCS 200/15-176.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The appellant did not challenge the assessment for Improvement #2. Therefore, the Board will not address Improvement #2.

The Board finds the best evidence of assessment equity for Improvement #1 to be appellant comparables #1, #2, #3, and #4, and board of review comparables #1, #2, #3, and #4. These comparables had improvement assessments that ranged from \$10.64 to \$11.16 per square foot of living area. Improvement #1's assessment of \$8.38 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
