

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kimberly & Edward Garnett
DOCKET NO.: 13-26058.001-R-1
PARCEL NO.: 01-01-302-028-0000

The parties of record before the Property Tax Appeal Board are Kimberly & Edward Garnett, the appellant(s), by attorney Joanne Elliott, of Elliott & Associates, P.C. in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 7,076
IMPR.: \$ 30,424
TOTAL: \$ 37,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of frame construction. The dwelling is 61 years old. Features of the home include a partial unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property has a 16,650 square foot site, and is located in Barrington, Barrington Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$375,000 as of September 19, 2010. The appraisal states that the subject is owner occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to 10.00% of the

appraisal's estimate of market value. The appellant also submitted information on three comparable sales.

The appellant's evidence states that the subject's improvement size is 1,887 square feet of living area. In support of this assertion, the appellant submitted the previously described appraisal, which included drawings and measurements of the subject. The appraisal states that the appraiser inspected the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,621. The subject's assessment reflects a market value of \$436,210, or \$179.36 per square foot of living area, including land, when applying the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and four sale comparables.

The board of review's evidence states that the subject's improvement size is 2,432 square feet of living area, with no evidence submitted in support of this assertion

In rebuttal, the appellant argued that the board of review's comparables were not similar to the subject for various reasons.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$375,000 as of the assessment date at issue. Since market value has been established the 2013 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance shall apply. 86 Ill.Admin.Code §1910.50(c)(2). Since market value has been determined, the Board finds that the appellant's argument regarding the subject's improvement size is moot, and, therefore, the Board will not address it in this decision.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
