

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce Scharschmidt
DOCKET NO.: 13-26062.001-R-1
PARCEL NO.: 16-08-413-002-0000

The parties of record before the Property Tax Appeal Board are Bruce Scharschmidt, the appellant(s), by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 8,250
IMPR.: \$71,750
TOTAL: \$80,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three story, 33-unit apartment building of masonry construction. It was built in 1929. The property has a 15,000 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 3-15 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$800,000 as of May 22, 2011. The appraisal lists the sale of the subject property in March 2008 for a price of \$1,761,000. The appellant requested an assessment of 10% of the appraised value, or \$80,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$107,815. The subject's assessment reflects a market value of

\$1,078,150, including land, when applying the 2013 level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales. The board of review's evidence also states that the subject property's deed was recorded on March 27, 2008 for \$1,761,000.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. Less weight was given to the 2008 sale price of the subject property as the sale occurred more than four years prior to the January 1, 2013 lien date at issue. The Board finds the subject property had a market value of \$800,000 as of the assessment date at issue. Since market value has been established the 2013 level of assessment for class 3 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
