

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Davies
DOCKET NO.: 13-26210.001-R-1 through 13-26210.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Michael Davies, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-26210.001-R-1	02-01-302-068-0000	\$1,213	\$18,231	\$19,444
13-26210.002-R-1	02-01-302-070-0000	\$1,101	\$18,231	\$19,332

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story multi-family dwelling of masonry construction with 5,742 square feet of living area. The dwelling was constructed in 1980. The property has a 2,697 square foot site and is located in Palatine Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted

information on three equity comparables. The appellant's comparables range: in age from 38 to 42 years; in building size from 4,638 to 6,137 square feet of living area; and in number of apartment units from three to six units. The improvement assessments range from \$4.07 to \$5.88 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal". The total assessment for the subject is \$70,271. The subject property has an improvement assessment of \$67,957 or \$11.84 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on five equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be the *appellant's comparable #1 and the board of review's comparables*. These comparables had improvement assessments that ranged from \$4.07 to \$6.35 per square foot of living area. The subject's improvement assessment of \$11.84 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
