

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael & Allison Cherry
DOCKET NO.: 13-26299.001-R-1
PARCEL NO.: 18-09-330-002-0000

The parties of record before the Property Tax Appeal Board are Michael & Allison Cherry, the appellant(s), by attorney Jason T. Shilson, of O'Keefe Lyons & Hynes, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,025
IMPR.: \$42,475
TOTAL: \$47,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 10,050 square foot parcel of land improved with a 19-year old, two-story, masonry, single-family building containing 3,865 square feet of building area. The property is located Lyons Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted copies of the settlement statement and sales contract disclosing that the subject was purchased in March 2013 for \$475,000. The appellant also submitted an appraisal estimating the subject property had a market value of \$475,000 as of January 17, 2013. The appellant requested an assessment of 10% of the sale price and appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$57,372. The subject's assessment reflects a market value of \$573,720 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in March 2013 for a price of \$475,000. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Moreover, the appraisal supports this sale at market value. Therefore, the Board finds the subject had a market value of \$475,000. Since the market value of this parcel has been established, the Cook County Real Estate Classification Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
