

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: David Westover
DOCKET NO.: 13-26580.001-R-1
PARCEL NO.: 02-19-319-014-0000

The parties of record before the Property Tax Appeal Board are David Westover, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Rolling Meadows; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,607
IMPR.: \$15,293
TOTAL: \$17,900

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a parcel of land improved with a 37-year old, two-story, frame, single-family. The property is located Palatine Township, Cook County and is a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted copies of the settlement statement and an affidavit evidencing that the property was purchased in September 2011 for \$179,000. In addition, the appellant submitted an appraisal estimating the subject property had a market value of \$179,000 as of September 13, 2011. The appraisal discloses that the subject is vacant. The appellant requests an assessment based on 10% of the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,854. The subject's assessment reflects a market value of \$238,540 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four sales comparables.

In rebuttal, the appellant submitted a brief addressing the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in September 2011 for a price of \$179,000. The appellant provided evidence demonstrating the sale of the subject and the board of review did not refute the arm's length nature of the sale. Moreover, the appellant submitted an appraisal supporting the sale at market. Therefore, the Board finds the subject had a market value of \$179,000. Since the market value of this parcel has been established, the Cook County Real Property Assessment Ordinance level of assessment for Class 2 property of 10% will apply and a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
