

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 2550 South Leavitt Building LLC
DOCKET NO.: 13-26835.001-I-1 through 13-26835.002-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are 2550 South Leavitt Building LLC, the appellant(s), by attorney Brian Grossman, of Worsek & Vihon in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-26835.001-I-1	17-30-300-024-0000	16,988	1,612	\$18,600
13-26835.002-I-1	17-30-300-025-0000	56,160	129,840	\$186,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land totaling 131,508 square feet and improved with a 39-year old, one-story, metal, industrial building. The property is located in West Chicago Township, Cook County and is a class 5 and class 1 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$930,000 as of January 1, 2012. The appellant requests a reduction based on the appraised value.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$303,734. The subject's assessment reflects a market value of

\$1,384,088 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25% and class 1 property at 10%.

In support of the assessment the board of review submitted sales comparables for each parcel.

In rebuttal, the appellant submitted a letter addressing the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$930,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessments shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
