

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 3012 W Fulton LLC  
DOCKET NO.: 13-26930.001-R-1  
PARCEL NO.: 16-12-305-011-0000

The parties of record before the Property Tax Appeal Board are 3012 W Fulton LLC, the appellant(s), by attorney Kenneth D. Flaxman, of Edward T. Joyce & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,750  
**IMPR.:** \$22,490  
**TOTAL:** \$26,240

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story apartment building with 3,280 square feet of living area of masonry construction. Features of the building include a partial basement with an apartment. The property has a 3,750 square foot site and is located in West Chicago Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on 15 comparable sales with property record cards for each comparable. Each comparable is located within one-half mile from the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,680. The subject's assessment reflects a market value of

\$296,800, or \$90.48 per square foot of living area, including land, when applying the level of assessment for class 2 properties of 10.00% as determined by the Cook County classification ordinance.

In support of its contention of the correct assessment the board of review submitted four equity comparables with sale information for each comparable.

In rebuttal, the appellant argued that the board of review's comparables should be given no weight because they are located too far in proximity to the subject or from 1.7 miles to 2.8 miles from the subject. The appellant submitted a map of the subject and the board of review's comparables showing the distance between the comparables and the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales. These comparables sold for prices ranging from \$4.93 to \$83.33 per square foot of living area, including land. The subject's assessment reflects a market value of \$90.48 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(b) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(b)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
