

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael & Christine O'Grady
DOCKET NO.: 13-27318.001-R-1
PARCEL NO.: 18-31-104-001-0000

The parties of record before the Property Tax Appeal Board are Michael & Christine O'Grady, the appellants, by attorney Michael D. Gertner, of Michael D. Gertner, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,283
IMPR.: \$47,717
TOTAL: \$58,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property contains a 25 year-old, two-story dwelling of frame and masonry construction. The parties differed as to the size of the dwelling. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 17,884 square foot site and is located in Lyons Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted an appraisal estimating the subject property had a market value of \$580,000 as of February 2, 2014. The appraisal disclosed the subject dwelling was occupied by the owners. The appraisal also disclosed the dwelling contained 4,132 square feet of living area. The appraisal also included a sketch of the dwelling with dimension measurements and a statement from the appraiser that he personally inspected the interior and exterior of the

dwelling. The appellants requested a total assessment reduction to \$58,000 when applying the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$94,912. The subject's assessment reflects a market value of \$949,120 when applying the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The board of review's evidence disclosed the subject contained 4,999 square feet of living area. In support of its contention of the correct assessment, the board of review submitted information on four unadjusted suggested equity comparables.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants met this burden of proof and a reduction in the subject's assessment is warranted.

The Board also finds, for the purpose of this appeal, the subject contained 4,132 square feet of living area. The appraisal included a sketch of the dwelling with dimension measurements and a statement from the appraiser that he personally inspected the interior and exterior of the dwelling. The Board finds the best evidence of market value to be the appraisal submitted by the appellants. The Board finds the subject property had a market value of \$580,000 as of the assessment date at issue. Since market value has been established, the 2013 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
