

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: KTR Capital Partners
DOCKET NO.: 13-27348.001-I-1 through 13-27348.002-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are KTR Capital Partners, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
13-27348.001-I-1	12-17-401-074-0000	6,946	0	\$6,946
13-27348.002-I-1	12-17-401-075-0000	58,671	156,464	\$215,135

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land. The property is located in Leyden Township, Cook County and is a class 5 and class 1 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$930,000 as of January 1, 2013. The appraisal describes the subject as two parcels of land containing 55,440 square feet and improved with a 42-year old, one-story, masonry, industrial building containing 29,500 square feet of building area. The appraisal discloses the property's classification and includes black and white photographs of the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the assessment for the class 1 parcel of \$6,946. The subject's total assessment is \$262,057. The subject's assessment reflects a market value of \$1,048,228 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25% and class 1 property of 10%.

The board of review describes as 14,625 square feet of vacant commercial land. The board of review did not include the property record card for these two parcels. In support of the assessment the board of review submitted 13 land sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$930,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
