

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beata Turcinskaite
DOCKET NO.: 13-27552.001-R-1
PARCEL NO.: 03-15-308-007-0000

The parties of record before the Property Tax Appeal Board are Beata Turcinskaite, the appellant(s), by attorney Christopher G. Walsh, Jr., Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$12,350
IMPR.: \$20,296
TOTAL: \$32,646

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story, single-family dwelling of frame and masonry construction with 2,134 square feet of living area. The dwelling was constructed in 1969. Features of the home include a crawl basement, two baths, one fireplace, and a two car garage. The property has a 26,000 square foot site and is located in Prospect Heights, Wheeling Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on June 10, 2012 for \$200,000. This evidence included an affidavit by the purchaser, a Zillow printout, a prior unrelated 2003 PTAB decision, and the Real Property Transfer Declaration EZ document printout. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed the closing date, sale price, that the parties to the transaction were not related, mortgage was not assumed, the subject was sold as a

foreclosure, and that the subject was listed for sale using a realtor and listed on the MLS. Lastly, appellant requested that the Board apply the 10% level of assessment as determined by the Cook County Classification Code. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,646. The subject's assessment reflects a market value of \$326,460 when applying a 10% level of assessment as determined by the Cook County Classification Code. In support of the assessment, the board of review submitted three sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

In addressing the appellant's market value argument, the Board finds that the sale of the subject in June 2013 for \$220,000 is a "compulsory sale." A "compulsory sale" is defined as:

- (i) The sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of the real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment. The Board finds that the mere assertion that the subject's sale was not at market solely because it is a compulsory sale is accorded no weight without evidence supporting that assertion.

In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The appellant did not submit additional sale comparables to show that the sale of the subject in June 2012 for \$200,000 was at its fair cash value. Moreover, the board of review submitted sale comparable that contained property characteristics similar to the subject and sold for prices ranging from \$149.92 to \$192.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$152.98 per square foot of living area including land, which is within the range established by the best comparables sales in the record. Since there is no supporting evidence that the sale price of the subject was at fair cash value, the Board finds that the subject is not overvalued and that a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
