

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Willard Longenecker
DOCKET NO.: 13-27782.001-R-1
PARCEL NO.: 17-06-419-021-0000

The parties of record before the Property Tax Appeal Board are Aaron Willard Longenecker, the appellant(s), by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,375
IMPR.: \$18,625
TOTAL: \$30,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, three unit apartment building of masonry construction with 2,982 square feet of living area. The dwelling was constructed in 1890. The property has a 4,550 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables.

The appellant's appeal is also based on overvaluation. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$325,000 as of October 19, 2011.

Appellant requested that the Board apply a 10% level of assessment as determined by the Cook County Real Property Classification Code.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,500. The subject property has an improvement assessment of \$31,125 or \$10.44 per square foot of living area. The subject's assessment reflects a market value of \$425,000 or \$142.52 per square foot of living area, land included, when using the level of assessment of 10% as determined by the Cook County Real Property Classification Code.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sales data for each comparable.

In rebuttal, the appellant's attorney stated that the appellant's sale comparables are closer in proximity to the subject property. In support, the appellant's attorney submitted a map outlining the locations of the comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$425,000, which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$325,000 as of the assessment date at issue. Since market value has been established, the level of assessment of 10.00% for class 2-115 properties as determined by the Cook County Real Property Classification Code shall apply. No further analysis shall be concluded, since the subject is now equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
