

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hispanic Housing Development Corp.  
DOCKET NO.: 13-27807.001-R-1  
PARCEL NO.: 13-29-122-025-0000

The parties of record before the Property Tax Appeal Board are Hispanic Housing Development Corp., the appellant(s), by attorney Timothy E. Moran, of Schmidt Salzman & Moran, Ltd in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,720  
**IMPR.:** \$13,938  
**TOTAL:** \$17,658

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one and one-half story single-family dwelling of masonry construction with 1,250 square feet of living area. The dwelling was constructed in 1925. The property has a 1,250 square foot site and is located in Chicago, Jefferson Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables.

The appellant's appeal is also based on overvaluation. The appellant's brief and Section IV-Recent Sale Data of the appeal stated that the subject sold in September 2010 for \$129,000 and that the transaction was not between related parties.. Appellant requested that the Board apply a 10% level of assessment as determined by the Cook County Real Property Classification Code.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$17,658. The subject property has an improvement assessment of \$13,938 or \$11.15 per square foot of living area. The subject's assessment reflects a market value of \$176,580 or \$141.26 per square foot of living area, land included, when using the level of assessment of 10% as determined by the Cook County Real Property Classification Code.

In support of its contention of the correct assessment, the board of review submitted information on eight equity comparables.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had improvement assessments that ranged from \$10.80 to \$11.44 per square foot of living area. The subject's improvement assessment of \$11.15 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The appellant also contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Appellant failed to submit any evidence such as a settlement statement or multiple listing sheet confirming the sale of the subject in September 2010. Furthermore, the appellant provided no evidence regarding the arm's length nature of the September 2010 sale. Therefore, the Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
