

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Zivota Mirkovic
DOCKET NO.: 13-28379.001-R-1
PARCEL NO.: 16-25-108-002-0000

The parties of record before the Property Tax Appeal Board are Zivota Mirkovic, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,150
IMPR.: \$17,019
TOTAL: \$20,169

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a three-story, multi-family dwelling of masonry construction. The subjects consists of two multi-family improvements. Improvement #1 is a three-story dwelling of masonry construction with 3,610 square feet of living area and constructed in 1901. The property has a 3,150 square foot site and is located in Chicago, West Chicago Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information regarding improvement #1 on five comparable sales and adjustment information which sold from June 2012 to December 2012 for prices ranging from \$50,000 to \$95,000 or from \$12.40 to \$22.77 per square foot of living area, including land. No information was submitted regarding improvement #2.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,366. Improvement #1's assessment is \$27,139. Improvement

#1's assessment reflects a market value of \$271,390 or \$75.18 per square foot of building area, including land, when applying the 2013 level of assessment for class 2-11 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information regarding improvement #1 on four sale comparables which sold from January 2011 to March 2012 for prices ranging from \$155,000 to \$182,500 or from \$75.24 to \$87.03 per square foot of living area, including land. The board of review also submitted the deed transfer data for each comparable. No information was submitted regarding improvement #2.

In rebuttal, the appellant's attorney distinguished the board of review's evidence based on proximity and sale date.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the appellant failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, give them no weight.

The Board finds the best evidence of market value regarding improvement #1 to be the appellant's comparables. These similar comparables sold for prices ranging from \$12.40 to \$22.77 per square foot of living area, including land. The subject's assessment reflects a market value of \$75.18 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
