

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George & Elena Valkov  
DOCKET NO.: 13-28393.001-R-1  
PARCEL NO.: 12-16-311-064-0000

The parties of record before the Property Tax Appeal Board are George & Elena Valkov, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,653  
**IMPR.:** \$14,751  
**TOTAL:** \$19,404

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a 71 year-old, one-story dwelling of frame construction containing 1,581 square feet of living area. Features of the home include a partial basement finished with a recreation room and a two-car garage. The property has a 9,306 square foot site and is located in Leyden Township, Cook County. The property is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on three suggested comparable sales and adjustment information. The appellants requested a total assessment reduction to \$11,988.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$19,404. The subject's assessment reflects a market value of \$194,040, or \$122.73 per square foot of living area including land, when applying the 2013 level

of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested sale comparables, each with equity data.

In rebuttal, the appellants argued that the comparables submitted as evidence by the board of review should be given diminished weight because they were dissimilar to the subject in various key property characteristics. The appellants reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellants failed to lay a foundation for the adjustments in the equalization values grid submitted and, therefore, gives them no weight.

The Board finds the best evidence of market value to be the appellant's comparable sales #1 and #2, and the board of review comparable sales #2 and #3. These comparables sold for prices ranging from \$49.02 to \$154.11 per square foot of living area, including land. The subject's assessment reflects a market value of \$122.73 per square foot of living area including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
