

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Fann & Mohammad Ibrahim
DOCKET NO.: 13-28415.001-R-1
PARCEL NO.: 15-16-110-006-0000

The parties of record before the Property Tax Appeal Board are Karen Fann & Mohammad Ibrahim, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,701
IMPR.: \$10,954
TOTAL: \$12,655

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame and masonry construction with 1,335 square feet of living area. Features of the dwelling include a full unfinished basement, one bath, and a one-car garage. The dwelling was constructed in 1931. The property has a 3,780 square foot site and is located in Bellwood, Proviso Township, Cook County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument, the appellants submitted information on five comparable sales which sold from July 2012 to January 2013 for prices ranging from \$35,000 to \$55,000 or from \$23.73 to \$39.68 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$12,655. The subject's assessment reflects a market value of \$126,550 or \$94.79 per square foot of building area, including land, when applying the 2013 level of

assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four sale comparables which sold from April 2012 to September 2013 for prices ranging from \$96,500 to \$130,000 or from \$97.97 to \$116.98 per square foot of living area, including land.

In rebuttal, the appellants' attorney distinguished the board of review's evidence based on sale conditions and characteristics. The appellants' attorney submitted REDFIN printouts for each of the board of review's sale comparables.

Conclusion of Law

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellants' comparables #1, #2 and #3 and the board of review's comparable #1. These similar comparables sold for prices ranging from \$27.48 to \$108.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$94.79 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
