

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rich P. Welch Jr.
DOCKET NO.: 13-28442.001-R-1
PARCEL NO.: 12-31-203-004-0000

The parties of record before the Property Tax Appeal Board are Rich P. Welch Jr., the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,871
IMPR.: \$12,602
TOTAL: \$15,473

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one and one-half-story dwelling with 1,328 square feet of living area of frame construction. The dwelling is 64 years old. Features of the home include one bathroom and a two-car garage. The property has a 10,440 square foot site and is located in Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The appellant also submitted a "Property Equalization Values" chart.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,473. The subject's assessment reflects a market value of \$154,730 or \$116.51 per square foot of living area, including land, when applying the 2013 level

of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on comparable sales.

In written rebuttal, the appellant stated the board of review did not submit the proximity of the comparables. The appellant also stated that the board's comparable #1 may contain incorrect information and that the board's comparable #3 was not listed on the open market.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #3 and #5 and the board of review's comparable sale #2. These comparables sold for prices ranging from \$48.85 to \$131.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$116.51 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. The Board did not grant any weight to the appellant's "Property Equalization Values" chart adjustments as the appellant did not lay a foundation for the adjustments. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
