

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: BOLI Management  
DOCKET NO.: 13-28493.001-R-1  
PARCEL NO.: 21-31-220-021-0000

The parties of record before the Property Tax Appeal Board are BOLI Management, the appellant(s), by attorney Maureen C. Pikarski, of Gordon & Pikarski in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,887  
**IMPR.:** \$5,651  
**TOTAL:** \$8,538

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction with 1,158 square feet of living area. The dwelling was constructed in 1958. The property has a 4,125 square foot site and is located in Hyde Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased pursuant to an estate sale on February 7, 2013 for a price of \$20,000, or \$17.27 per square foot, including land. The evidence indicated the parties were not related, however, the property was sold "by owner." The appellant did not submit any sale comparables as evidence that the sale price was at fair market value. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$8,538. The subject's assessment reflects a market value of \$85,380 or \$73.73 per square foot of living area, land included, when using the 10% level of assessment under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four sale comparables.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value in the record to be the four comparable sales submitted by the board of review. These comparables were similar to the subject in location, age and features. These properties also sold proximate in time to the assessment date at issue. The comparables sold for prices ranging from \$88.13 to \$110.24 per square foot of living area, including land. The subject's assessment reflects a market value of \$73.73 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. The Board gave no weight to the subject's sale due to the fact the sale did not have the elements of an arm's length transaction as it was sold "by owner" and may not have been exposed to the open market. Based on this record the Board finds the subject's assessment is not reflective of market value and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
