

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Issac Carpenter
DOCKET NO.: 13-29000.001-R-1
PARCEL NO.: 32-18-106-013-0000

The parties of record before the Property Tax Appeal Board are Issac Carpenter, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 10,243
IMPR.: \$ 10,257
TOTAL: \$ 20,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame and masonry construction with 3,488 square feet of living area. The dwelling was constructed in 1970. Features of the home include a unfinished crawl basement, central air conditioning, one fireplace, and a two-car garage. The property has a 40,975

square foot site and is located in Olympia Fields, Bloom Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$27,783. The subject's assessment reflects a market value of \$277,830 or \$79.65 per square foot of living area, land included, when using the 2013 level of assessment for Cook County class 2 property of 10% as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables and sales data for comparable #3.

In rebuttal, the appellant states that his comparables sold closer to the 2013 tax lien date than the board of review's one sale comparable.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables and the board of review's comparable #3. These comparables sold for prices ranging from \$110,000 to \$230,000 or from \$43.43 to \$69.53 per square foot of living area, including land. The subject's assessment reflects a market value of \$79.65 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.
