Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2013 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part 32 and part 45-year old, one and part two-story, masonry funeral home building with a three-bedroom apartment and office. It contains 10,770 square feet of building area, as well as a parking lot across the street. The non-contiguous land parcels contain an aggregate of 53,685 square feet. It is located in Jefferson Township, Cook County. The property is a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 12-28561.001-R-1. In

that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$82,500 based on the evidence submitted by the parties. The evidence indicated that 2012 and 2013 were within the same general assessment period for residential property. The appellant also submitted an appraisal to demonstrate the subject was being overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$89,588 was disclosed. The board of review also submitted equity and sale comparables to demonstrate that the subject was fairly assessed and valued.

Conclusion of Law

Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2012 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2012 and 2013 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
